

Admission guidance for children of foreign residents

Information on preparation for admission to Kiyose Hikari Kindergarten

Step 1 Please come and visit our kindergarten !

In addition to familiarizing you with our educational goals and policies, we value the process of mutual understanding to get to know the children who wish to enter the kindergarten.

Step2:Think about the best entrance preparation for your child!

- ① 2years old class :once or twice in the week.
- ② Parent and child class : Once a month from May to January.

If you are a foreign national and do not understand the Japanese well, we will consider the entrance time after conducting an orientation to prepare for admission for a certain period of time.

Step3: Please come and get the application form and application documents!

Application distribution and application acceptance are carried out at any time if there is a vacancy in the capacity, but please contact us as soon as possible to prepare for the education system for the new academic year.

Step4: Please submit the application form and come to the interview

- ① Please submit an application for admission, application documents, and consent form. The entrance interview fee is 5,000 yen.
- ② In the interview, ask your child about his or her name, family, understanding colors and shapes, and familiar objects (vegetables and fruits) with picture cards, "What is this?" I ask. We will ask parents about their children's personalities and behavioral tendencies, as well as educational policies at home. In addition, we will confirm whether there are any things that require special consideration (chronic diseases, food allergies, developmental issues, etc.) at the kindergarten.
- ③ If you pass, you will receive a letter of acceptance, so please complete the admission procedure.

Step 5 Now it's time for the start of kindergarten life!

① **The day of preparation:** We will adjust the day of preparation.

This is the day to measure uniforms, order school supplies, and apply for school bus use. Recycled uniforms and gym clothes are distributed by lottery.

② **Kindergarten life orientation** is given to children and their parents. We will distribute the uniforms and school supplies you ordered. We will also give you a timetable for the school bus for the new school year.

③ **The entrance ceremony:** We will announce your child's homeroom teacher and class. Now it's time for the start of kindergarten life!

* For those who wish to enter the kindergarten outside the normal application distribution (10/15), application acceptance (11/1), and entrance preparation schedule (11/17, 3/3)

① If you wish to enter the kindergarten, please let us know as soon as possible for the convenience of preparation.

② If you live in a remote area, you can conduct interviews on Zoom. Once you understand the educational goals and policies, we will give you an application form and application documents.

③ We will set an entrance interview date, so please bring your application form, application documents, and interview procedure fee of 5,000 yen on that day.

④ If you pass the interview, we will adjust your schedule for preparing for admission on that day. We will inform you separately about the time when you will start attending kindergarten in consideration of the operation situation of the kindergarten.
